

VICTORIA
BINDERY

TEXTBOOK REBINDING

Rebinding worn, but still useful, textbooks can be a great way for your school to save money and put good environmental practices to use at the same time. Instead of ordering new textbooks, older books can be serviceable for several more years by rebinding them, at a fraction of the cost of buying new. We rebind thousands of textbooks every year, for considerable savings to our schools.

PRICING

| Size | Pocket / Standard under 8.5" x 11" | Larger 8.5" x 11" | Oversize Over 8.5" x 11" |
